

Current Wish Lists from our Veterans Homes. (as of Aug. 5, 2020)

Please, please remember we serve and assist all Veterans. These are the current VA operated homes, but there are many Veterans in private nursing facilities and group type homes that would appreciate your consideration for donations.

Many auxiliaries are not near one of our VA Homes. But there are nursing facilities and group type homes in your area with Veterans who need to be remembered and shown appreciation. Contact the facility director or volunteer coordinator as to how to best be of service to their residents.

Let's start here! I will be posting and sharing more information about our hospitals soon.

Be creative, be energetic, even a card or note will bring a smile to someone who may be feeling forgotten.

God Bless You
Soaring to New Heights,
Margie Lindberg, AUX Hosp. Chair
