Also, send your information or any tidbits to enhance your program to Rose Green, Facebook chairman. She will have more on this after National Convention. Please access this tool at least once a month.

Communication and awareness of our programs is what makes them work. Please use the tools you have. If you do not do Facebook, have a friend post for you. We all need to use this form of communication. All messages will be censored so it is pertaining to Dept of Washington VFW Auxiliary business.

This is a lot of new information and I am the first in line to learn about Facebook. If I am willing, you be too. It will be closed to only members and monitored. More on this at School of Instruction.
