

District Presidents;

This year we are asked to have the District Presidents more involved from National, with trying to get the bachelor posts in your District to approve having an Auxiliary.

First the Post must vote to have an Auxiliary by a 2/3 vote of the members at a stated meeting. Once they have done that, they will send a notification to our Department President, Kathi Naff. She then will assign a member to be an organizer for the Auxiliary. There must be (15) qualified prospective members on the application that goes to National for approval.

I will send out the first letter to the Posts letting them know what an Auxiliary can do for them by helping them out with the programs. I will send out the letter this month and I am asking you to follow up with them in September to see if they brought it up at their meeting to have an Auxiliary. Ask if you may go to one of their meetings so you or a qualified member of the Auxiliary can explain why we would be beneficial to them.

Listed below in District order are the Bachelor posts in your District:

Please remember to follow up with them in September and then report to me what you found out. (Some Districts have none)
