Bulletin #2

Hello everyone! The year is into full swing and I hope everyone is busy snapping photos and recording what your Auxiliary is doing this year. Don't forget to use all the outlets to reach out to your community and invite them to share in what you do as an Auxiliary. By now, each Auxiliary should have a Facebook page, it's a simple and fun way to keep memories alive and reach members who are not as active. Don't forget to use media outlets as well. If you are able to get an event in a local newspaper or some other form of media outlet, that is a major victory! I know your Auxiliary is special and does a lot of great things within your community so put in on blast and show it to us all! Good luck to everyone!

We just completed the official visit from national president, **Jane Reape**, and were able to capture lots of good memories with her. It was my job to pick her up from the airport, give her a whirlwind tour of Montesano, and then safely deliver her back to Sea Tac to board a plane to her next destination, Montana, to do it all over again! Whew! I'm exhausted just thinking about it! Take a look at the awesome video posted on both department and VFW Auxiliary Facebook page!! Hopefully, we were able to show Jane a good time and help her to see that Washington has awesome Auxiliaries and Posts!

For those who are interested, I am still trying to finalize a date for a zoom meeting to have with you all! I still have email addresses from the school of instruction of those who want to join in the zoom meeting and I will let everyone know when it will be, which will be later this month, yay! If you would like to join us, just send me your email and I'll send you the link when its time.

I hope everyone is having a fantastic year, contact me if you have any questions and don't forget to have fun!

Best Wishes,

Liz Herrera
