

## HISTORIAN/MEDIA RELATIONS

### Bulletin 2

By now, you have hopefully received your packets from your District President. If not, reach out to her and ask for them.

It was **GREAT** to be able to speak to many of you at our recent Schools of Instruction and meet some I did not already know. **Thank you** for all your feedback.

My School of Instruction presentation will soon be on our Department Webpage, as will a copy of our **TENTATIVE** yearend report (subject to change). There will also be some tips for taking pictures with your phone- **CHECK THEM OUT!**

As I reported at our Schools of Instructions, National would like **ALL** Auxiliaries to have their own Facebook Page. I realize this is a sore subject with several Auxiliaries, however, I would like to thank those Auxiliaries who have expressed their desire to create one. As I promised, I will help you or Rose Green is also willing to help. Please don't hesitate to ask. I apologize that, due to schedules, I have not been able to be in touch with you yet to get you started. By next month, I hope to be able to reach out to you. In the meantime, please check out the instructions that were in your packet.

A **BIG THANK YOU**, to those of you who have been sending me pictures! Keep it up!

There are still several Auxiliaries that have been posting notices about projects, but no pictures. **PHOTOS ARE IMPORTANT!!!** Please remember that Facebook can be a membership tool. If a prospective member is looking at your page, which do you think would grab their attention more- a few written words alone or a photo describing the activity?

**I have issued two challenges this year (so far).** To any **Auxiliary** that sends me photos (**NOT** via Facebook), they will receive bonus points with their yearend report. So far, I have received very few.

**A challenge to District Presidents** is to take **2 pictures** of **EACH** of the **Auxiliaries in her District** and send them to me. To count for the Challenge, **she** must take the pictures. At the end of the year, the best picture will win a prize. Also, all District Presidents that have taken 2 pictures of every one of their Auxiliaries (their official visit is a good time to take them) and sent them to me, will receive a gift from me.

Don't forget to send me photos of our Department President Barbara, as she travels around the state. Many thanks to the Auxiliaries I have heard from, so far.

When you post a photo, please remember what Sylvia (our news- owl) says- **Don't forget the 5 W's! Details matter!**

Don't forget our National President, Jean Hamil, will be making her official visit, September 24-26 and participating in the Leavenworth Parade. We hope many of you will be able to attend.

By **“Soaring Above and Beyond”** together, **“We Can Stick our Necks Out For Our Veterans.”**
