

BULLETIN #3

Sisters and brothers, by now all of the programs are well under way and all of the Historian and Media Relations chairman should be helping their Auxiliaries keep a record of all the events they're doing this year. Veteran's Day, holiday parties, special dinners, Buddy Poppy and Membership drives are just a few of the great things we celebrate each year so let's keep the memories alive by showing our membership what this looks like!

By now, we should all have our very own Facebook page and hopefully you are reaching out to your communities and inviting them to celebrate your activities so they can see everything the VFW does for Veterans. You can do things like make fliers and post them at the local Chamber of Commerce, ask for a minute of time from a local radio station to announce your program, invite local groups like boys and girl scouts, and also, invite your Post's local reserve unit to your holiday parties. Being inclusive and sharing our organized activities with our surrounding communities is a huge win for our organization AND sharing photos, video, or any way that works for your Auxiliary means you are doing the right thing! Don't forget to enjoy yourselves during the process, share your photos, share your ideas, and most importantly remember that working together makes for some good times and good memories. For all of you out there across the state, I wish you all the very best within all of

your programs; I know you all do amazing things and I continue to wish you the best year you can achieve within your Auxiliaries, God Bless!

Liz Herrera

Historian & Media Relations

2022-2023
