BULLETIN 4

Boy, it is hard to believe that our year will soon be drawing to a close and, as we all know, **WHAT A YEAR IT HAS BEEN!**

You are great! Thank you all for the projects you have been doing - cards and gifts for our hospitalized veterans, cards for our troops and veterans, donated items to the homeless, among others.

(If anyone would still like a list of military names and addresses, please contact me)

Please, keep sending your pictures to me. In the Power Point presentation, we are putting together for National in April, I would like to see our Department well represented by our Auxiliaries and Districts. **Let's Make our Department Proud!**

Thank you to the Auxiliaries that have been participating in our four activities. I have received positive responses and thank you for sharing them with some of your members.

Now is a good time to take out your Year-end Report and National Report #1 and look them over. The National Report form is due to me by March 31. Please fill it out in detail and send some documentation as to what you have done.

Your Year-end Reports are due to me by April 15. Since you **ALL** have done something to support our Veterans or communities this year, **I expect to receive NO blank reports or any saying NO report.**

My Ambassador shared this video with us and I would like to encourage you to take a look at it - it is **AWESOME** - some great ideas of ways you can work with children in your schools, during this time, when we can't go to the schools.

The Department of Illinois recently shared a video from Hammer Schmidt Elementary School in Lombard featuring members working with school kids through Zoom. I hope each of you were able to view the video and share it with others in your state. You can view it here: <https://youtu.be/IQVVzEemKJg>.

My Ambassador, Nicole, has recently shared several other things with us, and encouraged us to share them with our members. Since there are so many, I will send them out separately.

Thank you, to everyone who has contacted me in the past few months. Like I have said, you are doing great! Keep it going!

If your Auxiliary or District holds a meeting via Zoom, I would love to receive an invitation to join you. I would like to thank the Auxiliaries and Districts, who have allowed me to attend their meetings. I thoroughly enjoyed them. I have found that this is one of the easiest ways I have, this year, to promote my program and answer your questions.

In closing, I am looking forward to hearing from you. If you have any questions, please do not hesitate to contact me. You can either email me your photos or send them to me via your telephone (my cell # is 509-998-3228).

While we are “Honoring Our Mission to Serve Veterans,” we can “Soar to New Heights.”
