

HISTORIAN/MEDIA RELATIONS BULLETIN 3

Thank you to those Auxiliaries who have sent me photos of your activities, or posted them on Facebook yourself. You are great! I **Love** seeing what you are doing. My goal for this year is to receive something from each Auxiliary.

Some Auxiliaries may not yet be able to get together in person during this pandemic. That does not mean you can't support the Veterans or your communities. Piles of cards, trunks full of goodie bags, donations for food pantries, etc., can be done. Do you send care packages overseas for the Holidays? Even if you can't meet as a group, you might consider getting together at someone's home (even if it is one or two of you) and work on a project. Put on a VFW shirt and take pictures of your projects. If you don't want to post the pictures on Facebook, please email them to me. I LOVE hearing from you.

In the packet you received from me, there is an entry form for the National Award #1. This is to be to me by March 31, 2021. I am hoping to receive one from every Auxiliary. PLEASE fill it out in great detail. I want to read something that makes me feel that I am right there when your event is taking place.

Every Auxiliary has done something to support our Veterans or communities this year. I want to see each of you receive your citation and the recognition you deserve. Especially this year with all that is going on in this world, everyone is working twice as hard to help our Veterans and their families!

I recently decided that, with things in our state having not changed all that much, WHY NOT HAVE SOME FUN FOR THE REST OF THE YEAR? Once again, I am asking you for your contact information (so far, I have heard from 5 Auxiliaries - 51, 1474, 1585, 2289, 7392). If I am missing someone (and I think I may be), I apologize. Please let me know.

Thanks to fellow Historians from across the country, I have some games or activities for this year. When I receive your contact information and the first activity (a hint- it was in the packet you received from me). (I have already received it from Auxiliaries 1585 and 2289, thank you!) I will send you the next game. When you return it to me, the next one, etc. I am currently working on some prizes for the end of the year.

Please keep up the great job and keep the pictures coming!

In closing, I would like to thank Madam Department President Marjorie, Department Secretary/Treasurer Cindy, Chief of Staff Elaine, Membership Chairman Rebecca Pellechi, Christine Dougherty, Rose Green (and anyone else who took part) in the **awesome job** they did with the Historian/Media relations skit at Western Conference!

While we are "Honoring Our Mission to Serve Veterans," we can "Soar to New Heights"
