Greetings and Happy Spring Everyone

First, foremost, and above all, Soaring to New Heights! I truly appreciate all of the Auxiliaries that have honored their hospital pledges this year. This thanks does not come from me alone, but from all of the hospitalized, nursing home residents, and homeless veterans who have benefited from the monies, donations, and work that the pledge money provides.

Way to go you rocked it.

I want to thank all of our VAVS Reps, all of our Auxiliaries, and the Auxiliary Hospital Chairmen for their hard work this year. As the reports have been coming in, it is impressive to see what you have done during this pandemic year. We all need to be proud of ourselves for what we have done. Here's a pat on the back and a soaring high five!!!

Our work is not complete. We still need to continue to support the Veterans in the hospitals and nursing homes. If by chance you have not sent in your hospital pledges, please do so today, so that we may continue our mission next year.

It has been my honor to be your Department Hospital Chairman under Madam President Marjorie Stetson's direction. The torch is being passed, but I will still be around to support the new chairman and the missions of the Department of Washington VFW Auxiliary.

With Honor and Sincere Regards,

Margie Lindberg
Soaring to New Heights

God Bless You All, God Bless America
