Bulletin #1 (2022-2023)

Hello Family! My name is Kirsten Moylan and I am honored, humbled and proud to be your Legislative Chairman for the Washington State Auxiliary 2022-2023.

This year is a big year! It's an election year! We need to make sure our political leaders in Olympia hear our voices! We need to get out and vote and encourage the public to vote! Our Veterans and their families need us more than ever to push forward important bills such and the PACT Act! You can go to the following sites for more info:

[VFW Action Alert: Demand the PACT Act Passes! - VFW](#)

[Legislative Updates | WDVA \(wa.gov\)](#)

The more we know, the more we can spread the words to all to help and support our Veterans!

I am looking forward to the following year and the continuation of fulfilling our mission of supporting our Veterans and their families in every way possible with you!

Keep updated on the events! Keep an eye on the web pages above, and there will be more to come and more updates throughout the year!

VOTE and BEE THE CHANGE!
