

Hello my Sisters and Brothers!

My name is Kirsten Moylan and I am proud to be your Auxiliary Legislative Chairman for the 2022-2023 year. It is my distinct privilege this year to help educate, enlighten and inform our membership on the Bills that our state Legislators are drafting pertinent to our agenda supporting the health and welfare of Veterans and their families.

Our focus is on legislation being developed in Olympia, but I would also encourage you to stay abreast of legislation being supported on a national level in “the other Washington” by joining 1.7 million of our fellow Aux. members by signing up for Action Corps at <https://vfwauxiliary.org/vfw-action-corps-weekly/>

This is an important year with mid-term elections coming up this November. Your sacred right to vote is your voice, our voice. To that end, I strongly encourage all of you to do your research to ensure that the candidates you vote for have the credentials and platform that will ensure support for our Veterans.

I look forward to serving alongside all of you this coming year by becoming the best-informed citizens and advocates for our organization that we can be.

In faith,

Kirsten M. Moylan
