

Dues round-up's at Convention

Convention will be here soon and there will be two dues round ups! One for this year, 2017-2018 on ***Thursday afternoon around 1:30 p.m.*** This is for all dues turned in for annual members that have not paid yet this year and all NEW Members, as of now.

The **kick off** for the New Membership year will be ***Saturday around 9:45 a.m.*** This will only be for the Continuous Annual members. Their dues are payable, as of July 1st, so if the treasurer enters them for the member you may bring the name or names listed on a piece of paper and put it in an envelope with your Auxiliary name and number on the outside with the total you are turning in.

There will be a drawing for cash for those that bring in dues for the New Year. You may want to get your dues reminders out early. This way the members are aware that they are payable starting on July 1st.

Thank you and we will see you at Convention.

The new Membership Chairman!
