

Midwinter Introduction and Closing:

Hi I'm Margie Lindberg, the Hospital Chairperson, for those taking notes, all information will be on the Auxiliary webpage and some of it on the Hospital Facebook Share page

I will be sharing 4 topics today.

1. Medical Legislation for Women Veterans
2. Updates on the VAVS Reps, Veterans Administration Volunteer Service Representatives
3. The National Salute to Veterans and Valentines for Veterans Event
4. Hospital Program Donations, Basket Raffle, and Duck Pond

In Closing

In closing, I would be remiss if I did not mention the year-end report. Because of Covid19, I understand that it is impossible to get into any of our medical facilities. I understand that - but there are still so many things that you can do as I have mentioned here today:

- Advocate for Women Veterans
- Reach out to the VAVS Reps
- Send Valentines to Veterans
- Support our Hospital Program with a contribution of time, goods, or funds.

Thank you
