

GENERAL ORDERS #2
SEPTEMBER 8, 2022

1. Please do your best to pay your donations (obligations) promptly – i.e., Hospital, National Home, Cancer. Our existence is based on these obligations!
2. We also need donations for our Patriotic Art Fund as it is self-funded. The children who participate in this program deserve to be recognized for their participation and creativity as well! Last year we were only able to recognize the top three winners as there just were not enough funds donated to do any more.
3. 3D art is the Special Project for our National President, and it is an amazing fresh opportunity for new and creative artists to express themselves. It is exciting to see what the project will produce this year!
4. On that note, please do not forget about my Special Project either. This program is a great way to get veterans out on the water for some therapeutic fishing. I have been out with John Keiser on a trip and had a wonderful time! And this is an amazing opportunity for our veterans.
5. It is imperative for District Presidents to pass along ALL of the information you are receiving. There have been many complaints that Auxiliary Presidents are not being forwarded pertinent information and data and this has caused a few hiccups. I find this unacceptable and ask that we step this up. Please try to cc me on these notes, so I know this is being done! As appropriate, some notes will be forwarded to Presidents, Secretaries and Treasurers too depending on the timeline.
6. If I could stress anything I would ask that you, PLEASE HAVE FUN and spread the joy and enthusiasm we have for our organization!
7. Regardless of whether you are sending a representative or not to state convention, delegates fees are mandatory! This NOT negotiable as this is how we cover the expenses incurred for the convention. As a reminder, you pay delegates fees based on end-of-year membership. For instance, if you were to pay these fees now you would pay on the 6/30/22 membership. I ask that you contact Cindy Burkey if you have any questions – this will make her job much easier and hopefully ease up some of the stress at year-end!

Loyally,
Joan Murphy Nihart, Dept. President
