Veterans Affairs Voluntary Service (VAVS) Program.

Hello Everyone,

First and foremost *Thank you!!*

Each one of you, your deputies, associates, and volunteers are doing a great job during this COVID pandemic.

Some highlights so far are:

- Monetary donations
- Gift cards
- Food items, too many to list!
- Under garments, Feminine products, Personal hygiene products,
- Laundry soap, TP, Dish soap, Towels
- Clothes
- WiFi (special project)
- Popcorn Machine
- Plexiglas for visitor tables
- Art Supplies, Donations to Activity Fund

Let's keep up the good work!

Cards, letters and pictures (of your yard, a pet, flowers, scenery) are a lovely surprise for the residents. Keep them simple, fun, warm. Write as though you were writing to a friend you haven't seen in years.

You are appreciated! I have learned so much in these first few months from you, my heart is filled and warmed by the work you do.

Humbly and Gratefully,

Margie Lindberg, Hospital Chair
