

YOUTH ACTIVITIES

BULLETIN #4

1. RED, WHITE AND BLUE

I was so excited about hearing these kids and listening to them sing our National Anthem!

Bringing patriotism back in the hearts of our children, who are the next-generation for keeping this world alive with freedom for their families, their friends, and for America, should be a number one priority.

- i. This contest is not only fun but encourages our youth to learn the National Anthem words and meaning. Our children may sing in any style they choose such as rock, hip-hop, country, etc. – all goes here.
- ii. Please go to vfwauxiliary.org/resources for contest information and applications. A few particulars are: the child must be age 6-16, must be a U.S. citizen, and does not have to be related to VFW or VFW Auxiliary member.
- iii. For all Auxiliaries the due date to me is March 31, 2021 for judging.

2. ILLUSTRATING AMERICA – your Auxiliary must receive this artwork by 3/31/21 and the Dept. must receive by 4/15/21.

If you have questions, please visit the Youth Activities Resources Page for details or feel free to give me a call!

3. VALENTINES DAY CARDS

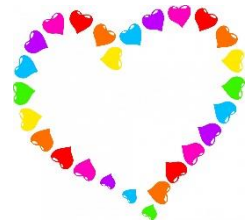

Valentine's day is a great time to help put a smile on those veteran's faces in the VA hospitals, nursing homes and senior centers.

And, let's not forget those children in our local Children's Hospitals, Shriners Hospitals, St. Jude's, etc.

All can enjoy having a Valentine card too just say that we are thinking about them and not forgetting them.

Have a child or Scout Group help you fill them out and maybe even attach a Buddy Poppy to them!

Get some address labels and print out your post Auxiliary information. It makes things so much easier on your hands. This is what our Post and Auxiliary have done for example on labels.

EXAMPLE:
