YOUTH ACTIVITIES

Bulletin #2

Our youth are back in school and with that in mind, how does one pay tribute to those we lost 21 years ago.

Working as a group or individual remember to document before during and after with Grave Beautification projects.

There are many ways for children, students, and parents to work with one another in teaching, reading, and playing.

Make new friends but keep the old friends too. Learn what they have to share.

Essays are in schools-participate and educate. Have those thoughts and ideas parlay into Illustrating America in Art and Get Excited for the Red White and Blue to sing the National Anthem. Practice makes perfection.

Also have you learned the proper way to fold a flag? Is there a Veteran or family member that would help you?

What do you think when Patriots Day or Veterans Day are passed, do you remember? Do you discuss it with your parents, teacher, or friends?

As the year goes by, there are certain reasons, ideas, and memories to think of. What are your thoughts and ideas.

Y-you, O-originate, U-usable, T-thoughts, H-helping.

Loyally,

Sue Gregg
