

**Bulletin #4 from the Sr. V.P. February 10, 2021**

Dear Sisters and Brothers,

As your Department Sr. Vice President, I have been diligently working to fill the Dept. Officers, Program Chairmen positions, Hospital Representatives and Deputies, Committee Chairmen and Committees. Thank you to those many who said “yes” when I called them. And to those who said, “no”, I understand; it has been a tough year! Others may have gotten comfortable in their jammies & slippers or sweatpants. And the specialists tell us to take it easy and not add anything to our plate. But “They” do not know what we can do! I ask you to remember the words of our PNP Sandi Kriebel, **“We Can Do It!”**

I still need a **Buddy Poppy/National Home Program Chair**, the **Orting Soldiers Home Associate Representative**, and I need a **Color Team**. I am out of ideas on who to ask! So, I am making an open request for you to volunteer. I am sure there are many of you out there that I have not met or not thought to ask yet. Let me know what you have a passion for, and what you can do! I am in the roster: Please call or e-mail me ASAP, so we can talk. I need to get this done!

Thank you for your support!
